About me

I'm a senior product designer with over 8 years of diverse experience, including a background in motion graphics. I focus on creating intuitive, user-centric designs that are both engaging and effective. My approach balances craft with strategic thinking to deliver meaningful design solutions.

Experience

Sr. Product designer @ Eat App

Dec 2025 – Present

Leading AI transformation and integration, enhancing product B2B and B2C experience. Implementing tokenized design systems.
